4. TRANSFERS

Unless otherwise permitted by the Board, a player so transferring shall not play for his new club until the expiry of **14 (fourteen) days**. A breach of this rule shall be subject to penalties (see 17.5).

4.1.1 Transfers to tertiary institutions club

Should a player who has played for a club for part of the season be awarded a bursary for a recognised course at a tertiary institution, that player would be allowed to play without serving the mandatory 14 (fourteen) day waiting period. It is however imperative that the player obtain a clearance from his previous club. Such clearance shall not be unreasonably withheld. In addition, the player shall notify the CGL Office in writing of his intent to play for the tertiary institution, together with proof of the bursary award, before his first appearance for the tertiary institution.

Should a player who has played for a tertiary for part of the season, leave the tertiary, as his studies may be completed or discontinued, that player would be allowed to play for his new club without serving the mandatory 14 (fourteen) day waiting period. It is however imperative that the player obtain a clearance from tertiary. Such clearance shall not be unreasonably withheld. In addition, the player shall notify the CGL Office in writing of his intent to play for the new club, before his first appearance for the club.

4.2 Clearance certificate required to transfer

No club shall be entitled as a playing member any person who has previously played for another club in any competition organized by the Board, or any other provincial union, without first obtaining a clearance certificate from the other club or union. A clearance certificate is required, irrespective of whether the transfer takes place in or out of season.**

4.3 Dual club membership – Exception to the transfer rule

Notwithstanding the provisions of 4.1 and 4.1.1, the Board may, at its sole discretion, permit a player registered with a non-Premier League club (“the feeder club”) to play for a Premier League club (“Premier Club”).

In granting its consent in terms hereof, the Board may stipulate such terms and conditions with regard to the dual club membership, grants and subsidies as shall be appropriate in the circumstances.

4.4 Playing for a club whilst registered with another provincial union

No player shall be allowed to play for a club affiliated to the Board while he is registered with or playing for a club affiliated to another provincial union unless permission from both unions have been forwarded to the office before he plays his first fixture for the club. 5. DEMOTIONS

5.1 Restriction on provincial players

No current Lions or Strikers provincial cricketer, i.e. a player who has played provincial cricket during the previous **12 (twelve) months**, shall play in any competition below premier league without the prior consent of the Board. Any provincial player who normally appeared in the Premier League the previous season and who transfers to a lower league club, will prejudice his chances of selection for the provincial senior team.

5.2 Restriction on all players

In all instances clubs with more than 1 (one) team in competition may demote players from a higher league to a lower league, provided that no player shall be allowed to play in a lower league after playing **4 (four) or more consecutive matches** in a higher league without the consent of the Board.

For the purpose of this ruling, the Saturday and Sunday competitions are considered entirely separate. A player in Saturday league may play in a higher or lower league in the Sunday league, and vice versa. Provided that the Board shall in the circumstances envisaged by 4. permit the promotion/demotion of players.

Premier league players can play in Saturday one to Saturday three leagues only.

It is not the intention of the Board to inhibit the natural demotion of players losing form, but it is in the interests of the clubs to consult the Board in order to avoid disputes and unpleasantness arising from demotions. A breach of this rule shall be subject to penalties (see 17.8).

6. OBLIGATION OF PLAYERS TO THE BOARD

6.1 Restriction on player during representative match

No player selected for any representative match arranged by the Board, i.e. provincial, international or any other special match, including inter-zonal matches, may, on a rest day during such match, take part in any form of organised or representative sport without the prior consent of the Board.

6.2 No provincial cricketer to play outside area of jurisdiction

No current Gauteng provincial cricketer shall play in matches in areas outside the jurisdiction of the Board at any time during the season without the prior consent of the Board.

6.3 PROVINCIAL QUALIFICATIONS

7.1 Consent of Board required

Any club shall be entitled to play 1 (one) overseas professional as defined in 11.7 above, in a league team, after the prior consent of the Board has been obtained. The Board may, in particular circumstances, permit certain clubs to field more than 1 (one) overseas professional per team.

8.2 Clubs sharing grounds

Clubs sharing local council grounds are responsible for making mutually acceptable arrangements for the upkeep of their pitch.

9 Correct and adequate marking of pitches

It is the responsibility of the host club to ensure that the pitch upon which it is to play is properly and adequately marked, including the marks for the danger area and the wide delivery marks when a limited overs competition is to be played. A diagram showing the correct markings and dimensions is given at the end of the Blue Book.

Umpires are to report incorrectly or inadequately marked pitches to the GCB for the appropriate action to be taken.

9.1 Boundaries – Refer law 19 in Code 2000

- b) The boundary shall be agreed so that no part of any sight screen is within the field of play;
- c) An obstacle or person within the field of play shall not be regarded as a boundary unless so decided by the umpires before the toss. See Law 3.4ii (to inform captains and scorers);

19.2 Defining the boundary – boundary marking –

- a) Wherever practicable the boundary shall be marked by means of a white line or a rope laid along the ground;
- b) If the boundary is marked by a white line –
 - i) The inside edge of the line shall be the boundary edge;
 - ii) A flag, post or board used merely to highlight the position of a line marked on the ground must be placed outside the boundary edge and is not itself to be regarded as defining or making the boundary. Note, however, the provisions of c) below.
- d) If the boundary edge is not defined as in b) or c) above, the umpires and captains must agree, before the toss, what line will be the boundary edge. Where there is no physical marker for a section of boundary, the boundary edge shall be the imaginary straight line joining the two nearest marked points of the boundary edge;
- e) If a solid object used to mark the boundary is disturbed for any reason during play, then, if possible, it shall be restored to its original position as soon as the ball is dead. If this is not possible, then –
 - i) If some part of the fence or other marker has come within the field of play, that portion is to be removed from the field of play as soon as the ball is dead;
 - ii) The line where the base of the fence or marker originally stood shall define the boundary edge.
 - iii)

9.1.1 Marking of boundaries

The boundaries of the playing area must be adequately marked so that there can be no confusion as to the position of the line of the boundary. Umpires are to report inadequately marked boundaries to the GCB for the appropriate action to be taken.

9.1.2 Astro turf pitches

Certain clubs are equipped with Astro turf pitches. Players are instructed **not** to wear spiked boots when playing on these surfaces as serious damage is caused which leads to considerable expense in carrying out repairs. Any player or club that wilfully damages an Astro turf pitches will be held liable for the costs of repair or replacement.

Every attempt has been made to indicate the whereabouts of Astro turf pitches in the fixture lists that appear in the Blue Book. Clubs should note the foregoing when approaching their weekly fixtures. Refer 5.

manipulation, the Board reserves the right to withhold all points scored by both teams in the match concerned.

Clubs are reminded that Law 42: "Spirit of the game" shall at all times be adhered to and any team found to be in breach of this law shall be subject to any penalty which the Board/disciplinary committee may decide to impose.

22 COVERS

In the event of rain interruptions during the game, **both teams** must assist in putting the covers on and taking them off.

23 JUNIOR CRICKETERS PLAYING IN ADULT MATCHES

The CGL has issued the following guidance covering the participation of young cricketers in adult matches. This guidance applies to boys and girls and any reference to he/she should be interpreted to include she/her. Age groups are based on the age of the player at midnight on 31 August in the year preceding the current season.

23.1 Definition of a junior player

There are specific age groups to which conditions in this document apply. Please note that it is the club's responsibility to adhere to the specifications at all times

23.2 Guidance for clubs

All clubs must recognize that they have a duty of care towards all young players who are representing the club. The duty of care should be interpreted in two ways:

- Not to place a young player in a position that involves an unreasonable risk to that young player, taking account of the circumstances of the match and the relative skills of the player;
- Not to create a situation that places members of the opposing side in a position whereby they cannot play cricket as they would normally do against adult players.

In addition, the following specific requirements apply to young players in adult matches:

- All young players who have not reached their 18th birthday must wear a helmet with a faceguard when batting and when standing up to the stumps when keeping wicket. Parental consent not to wear a helmet should not be accepted in adult matches. A young player acting as a runner must also wear a helmet, even if the player he is running for is not doing so;
- The umpires and the opposing captain must be notified of the age group of all players participating in an adult match who are in the under 19 (nineteen) age group or younger, even if the player is not a fast bowler. This requirement also covers any young player taking the field as a substitute fielder;
- Any player in the under 13 (thirteen) age group and younger must have explicit written consent from a parent or guardian before participating in adult

matches. Clubs must ensure that their player registration procedures ensure that consent is obtained.

Clubs and leagues can apply more strict restrictions on the participation of young players in adult matches at their discretion. It is strongly recommended that a parent, guardian or other identified responsible adult is present whenever a player in the under 13 (thirteen) age group or younger plays in an adult match. This could include the captain or other identified adult player taking responsibility for the young player.

24 SAFETY GUIDANCE ON THE WEARING OF CRICKET HELMETS BY YOUNG PLAYERS

- Helmets with a faceguard or grille should be worn when batting against a hard cricket ball in matches and in practise sessions.
- Young players should regard a helmet with a faceguard as a normal item of protective equipment when batting, together with pads, gloves and, for boys, an abdominal protector (box).
- Young wicketkeepers should wear a helmet with a faceguard when standing up to the stumps.

With the assistance of schools and cricket clubs, the wearing of helmets by young players should be standard practice in cricket.

Young players who have not reached their 18th birthday must wear a helmet with a faceguard when batting and when standing up to the stumps when keeping wicket in adult matches. Parental consent not to wear a helmet should not be accepted in adult cricket.

This guidance applies to all players up to the age of 18 (eighteen), both in adult cricket and in all junior cricket played with a hard cricket ball. The guidance also applies during all practice sessions. Any individual taking responsibility for players should take all reasonable steps to ensure that this guidance is followed at all times.

25 FIELDING REGULATIONS

The CGL has regulations covering the minimum fielding distances for young players in all matches where a hard ball is used.

- No young player in the under 15 (fifteen) age group or younger shall be allowed to field closer than 7.3 metres (8 yards) from the middle stump, except behind the wicket on the off-side, until the batsman has played at the ball.
- For players in the under 13 (thirteen) age group and below, the distance is 10 metres (11 yards).
- These minimum distances apply even if the player is wearing a helmet.
- Should a young player in these age groups come within the restricted distance, the umpire must stop the game immediately and instruct the fielder to move back.
- In addition, any young player in the under 16 (sixteen) or under 18 (eighteen) age groups who has not reached the age of 18 (eighteen) must wear a helmet and, for boys, an abdominal protector (box) when fielding within 5.5 metres (6 yards) of the bat, except behind the wicket on the off-side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.

These fielding regulations are applicable to all cricket in Gauteng. Age groups are based on the age of the player at midnight on 31 August in the year preceding the current season.
